1		(The entity) has registered for SAM (System of Award Management) as per requirements of the bid submission, the communication regarding activation (was received). It is requested to clarify any further requirements(if any), referring to the communication received from samadmin@sam.gov.	An email from samadmin@sam.gov confirming either that the entity's registration is active or that the registration has been initiated, is sufficient proof. No additional proof of SAM registration is required.
2	Requirement of technical proposal mentions the submission of 'Proposed reports and other deliverables that will be provided that can be used by the South Asian participants to assist them in their planning for creation of a power exchange entity'.	However, the RFP subject is limited to the ' Training on the Design, Management, and Operation of a Power Trading Entity'. Therefore, it is requested to clarify the deviation in the requirement of submission of technical proposal from the subject of RFP.	Please disregard the RFP sentence "Proposed reports and other deliverables that will be provided that can be used by the South Asian participants to assist them in their planning for creation of a power exchange entity." Replace this sentence with "Proposed reports and other deliverables that will be provided that can be used by the South Asian participants to assist them in their planning for creation of a power trading entity."
3		If the training deliverables mentioned in USEA_RFP needs to be submitted only in softcopy or hardcopy of the deliverables are required. In case the hard copy is required, the shipment of of the copies needs to be delivered to USEA or directly to the participants?	USEA only requires soft copy.
4		What are the modalities for change of faculty members in case of exigencies, if any?	The proposal should only include faculty members whose participation is confirmed. However, replacement of some faculty members is expected and allowed, due to scheduling conflicts.
