1	Is this request for proposals limited to U.S. firms?	No, this is not limited to US firms; however, you must be registered in SAM and have a DUNS number. You can register here: https://www.sam.gov/portal/SAM/##11
2	The RFP did not mention nationality or any other eligibility restrictions. I would appreciate if you could let us know what restrictions, if any, are applicable here.	Offers must meet USAID code 935, that means the only prohibited sources are North Korea, Cuba, Iran and Syria.
3	Please forward my profile to primes.	Unfortunately, we cannot get involved in the responses to our RFP.
