

## Questions and Responses

### August 1, 2022

---

#### **RFP – SYSTEM STABILITY AND RELIABILITY STUDY – PROSPECTIVE STATE – ELECTRICITY TRANSMISSION NETWORKS OF TAJIKISTAN**

**QUESTION:** Would USEA kindly consider extending the deadline for submitting the proposal for 2 weeks from 12 August to 26 of August?

**ANSWER:** No. The RFP closing date will be extended only if we receive fewer than 3 proposals by the original closing date.

**QUESTION:** On page 4, Task 2, can [the Consultant] have a local consultant from Tajikistan perform the first on-site inspection to collect the data supported by the contractor.

**ANSWER:** Yes. Please make sure your proposal includes a bio sketch, CV and USAID Contractor Employee Biographical Data Sheet for each employee proposed for this project, including subcontractors and local consultants.
