DATE	EVENT		CONTACT
Open until October 2016	 	The upcoming World Energy Congress will be held in Istanbul, Turkey on October 9-13, 2016. Call for Papers and Online registration is open. To learn more or to register, visit the official Congress website. http://www.wec2016istanbul.org.tr/registration/online-registration-information/ .	Kim Grover Ext. 1230
February 1-4	Hydropower Development Study Tour to Bhutan for Bangladesh, Nepal and Pakistan, sponsored by the USAID South Asia Regional Initiative for Energy Integration (SARI/EI) program. <i>Bhutan</i>		Sarah Blanford sblanford@usea.org
February 3-5	USAID / USEA Southeast Europe Distribution System Operator Security of Supply Working Group Meeting. <i>Skopje, Macedonia</i>		Albert Doub Ext. 1254
February 16	USEA/USDOE dialogue on Modular Manufacturing to engage industry leaders, technology developers, scientists, and academics focused on assessing strategies for rapid deployment of Modular Systems that will expand market penetration of clean energy technologies at all scales. <i>Boulder, Colorado</i>		Amishi Kumar Ext. 1257
February 16-18	Renewable Energy Forecasting Workshop for technical staff in utilities and power system operators from South East Asia to understand the value and implementation considerations associated with advancing the use of wind and solar forecast to more efficiently integrate variable renewable energy to the grid. <i>Bangkok, Thailand</i>		Sarah Thorne Ext. 1268
February 26	USEA International Briefing Series: The Global Energy & Climate Transformation: How Australia is Coping. Guest Speaker: Robert Pritchard, Executive Director, Energy Policy Institute of Australia will discuss the impact of low LNG and coal prices; meeting Australia’s Paris climate target and collaborating globally on energy innovation. 10:00 AM – 12:00 Noon. USEA Executive Conference Room. <i>Washington, DC</i>		Sara Burback Ext. 1271
February 29-March 5	Executive Exchange: Development of LNG Policy for Tanzania’s Oil and Gas Sector. <i>Washington DC; Houston, TX</i>		Sarah Thorne Ext. 1268
March 1-2	Workshop on Super Critical and Ultra Super Critical Clean Coal Technologies for Bangladesh Power Development Board. Participants will be exposed to best practices in super critical and ultra-super critical technologies, as well as power plant performance monitoring, critical issues related to coal import, transportation and handling, and heat rate improvement planning and implementation. <i>Bangladesh</i>		Sarah Blanford sblanford@usea.org
March 1-4	USAID/USEA Eastern Africa Transmission Planning Partnership Load Flow Training III and Working Group Meeting. <i>Entebbe, Uganda</i>		Beata Bialy Ext. 1246
March 14-18	Executive Exchange on Geothermal Project Finance and Development. This Executive Exchange will bring high-level delegates from Kenya and Ethiopia to attend the Geothermal Energy Association’s 2016 U.S. and International Geothermal Energy Showcase, side events and meetings with U.S. geothermal industry and government representatives as well as multinational financial institutions. <i>Washington, DC</i>		Andrew Palmateer Ext. 1286
March 17	Geothermal Energy Association 2016 International Geothermal Showcase. GEA will hold the 2016 Showcase at the Ronald Reagan Building and International Trade Center with support from the US Trade and Development Agency, US Department of Energy Geothermal Technologies Office, US Agency for International Development, US Department of State, Overseas Private Investment Corporation, Inter-American Development Bank, The World Bank, United States Energy Association, and the Geothermal Resources Council. More Information . <i>Washington, DC</i>		Andrew Palmateer Ext. 1286
March 21-24	Renewable Energy Project Planning & Finance Workshop. Workshop participants will review best practices on integrating large amounts of variable renewable energy to the grid, and seek ideas and feedback on meeting their renewable energy targets. <i>Dakar, Senegal</i>		Yejide Olutosin Ext. 1242
