# Build Synergy Create Energy

MEET THE CONSORTIUM

## Why Now

Every year worries for our limited resources grow as environmental disasters intensify.

SOLUTION HERE

## Our Vision

TEC is an organization working together with one voice to share information and promote Tribal energy opportunities.

TEC and its member tribes are committed to working with other organizations, private industry and nonprofits interested in the growth and sustainability of Tribal Energy.

MEET THE CONSORTIUM

## Looking Ahead

Destruction is a necessary part of creation by breaking down outdated ways of thinking and innovating.

Responsibly, we will support our people economically and environmentally to bring in a new era of abundance.
