Growing Your Region

Johnstown Area Regional Industries, or JARI, is a non-profit economic development organization that has been a devoted partner of the business community in Cambria and Somerset Counties since 1974. JARI's primary service geography is the Greater Johnstown area, encompassing Cambria and Somerset Counties. JARI also offer various business assistance programs to other portions of Southwestern Pennsylvania.

JARI Growth Fund

The JARI Growth Fund is a certified CDFI (Community Development Financial Institution) which was formed in May 2016. The Mission of JGF is to *develop the skills and provide capital to individuals, businesses and organizations in the six-county Southern Alleghenies region to support the growth of a diverse economy and build vibrant communities, enhance the quality of life for residents of the region, improve housing, and otherwise address the needs of low to moderate income residents of disadvantaged, poor and minority communities within the region.*
