project  
management  
to help ensure  
RD&D objectives are  
achieved.**

# NETL's Bipartisan Infrastructure Law (BIL) Hub

## NETL BIL Hub

- For additional information and resources regarding the BIL, visit [NETL's BIL Hub](#).

A screenshot of the NETL Bipartisan Infrastructure Law (BIL) Hub website. The page features a dark header with the NETL logo, a search bar, and social media icons. A navigation menu includes links for About, Research and Programs, Business, Education, Library, and News and Events. The main content area is titled "BIPARTISAN INFRASTRUCTURE LAW HUB" and contains a large banner image of power lines at sunset. Below the banner, there is a section titled "DRIVING INNOVATION AND D" with two images: a newsletter titled "NETL Newsletter" and a graphic of a clock and lightbulbs. The page also includes a section for "Solicitations &amp; Funding Opportunities" with links to view all solicitations, fossil energy and carbon management (FECM), and energy efficiency and renewable energy (EERE). At the bottom, there are four green buttons: "A Guidebook to the Bipartisan Infrastructure Law", "Clean Energy Corps", "DOE Applicant Portal", and "BIL Grid Resilience Program".
