

2023

19TH ANNUAL STATE OF THE ENERGY INDUSTRY FORUM

 26 January 2023
9:00 AM to 3:00 PM

Reception to follow

Vicky Bailey
Executive Chairman
USEA

Sheila Hollis
Acting Executive Director
USEA

Convened annually, USEA's State of the Energy Industry Forum engages leaders of Washington's energy associations in dialogue and presentations on the latest developments impacting the industry. A changing regulatory, administrative, and political environment will be the backdrop for meeting energy demands this year.
