

The [U.S. Africa Energy Forum](#) is supported by champions of Africa in Houston and Washington, D.C and celebrates America's vital role in Africa's future prosperity. Join [Energy Capital & Power](#) on 9-10 December 2021 in Houston at the C.Baldwin Hotel in-person, alongside energy leaders, ministers and private sector delegations from 12 African nations.

#### United States Energy Association Members Qualify for a 15% Discount!

United States Energy Association members will receive a 15% **discount** on delegate passes by using this code **USEA15**. To enquire more, contact James Chester, Senior Director at [James@energycapitalpower.com](mailto:James@energycapitalpower.com) or click the links below.
