

- **Comprehensive EE legislation**
- **Local policies**

- **Revisit regulatory promulgations; current ERC regulations:**
 - New regulatory framework for ECs/PBR
 - System loss reduction program; setting of system loss level
 - Time of use rates
 - Review of power supply contracts

- **Provide appropriate incentives to encourage DUs to promote EE**

Recommendation for:

- **Improved technologies – Smart Grid in the Future**
- **Financing - \$31.5 Million from ADB**
- **Marketing and Consumer Awareness - sustain public info campaign**

- **Thank you!**
