

USEA 9th Annual Energy Supply Forum

Justin Maierhofer

Vice President, Government Relations

October 6, 2016

The TVA Act

What We Do

- Serve 7 states, 154 local power companies, 58 directly served customers and 80,000 square miles
- Generate approximately \$11 billion in annual revenue
- Manage the Valley's river systems and environmental resources

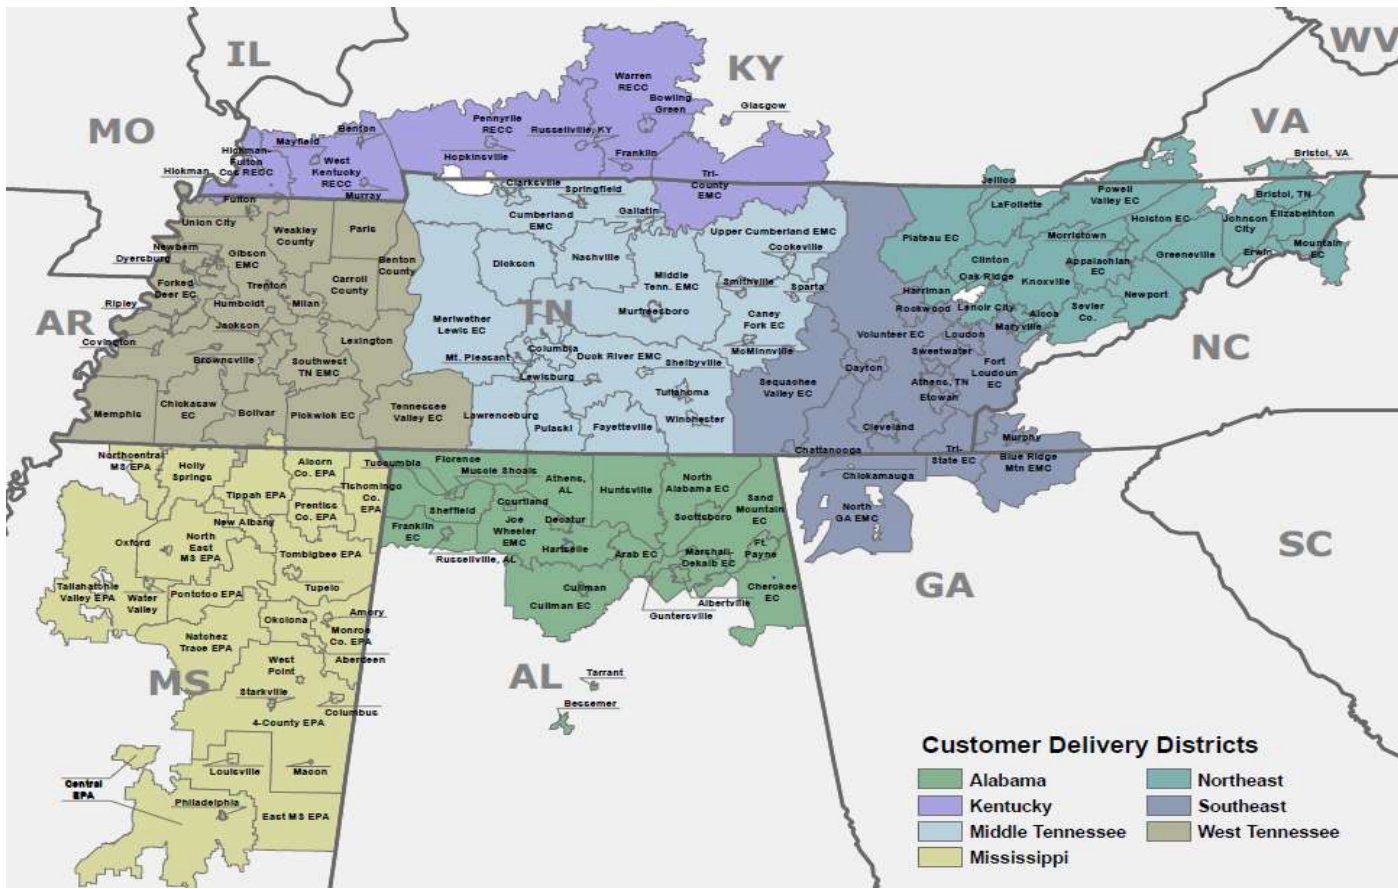

First power pole erected in 1934 in Pontotoc, Miss.

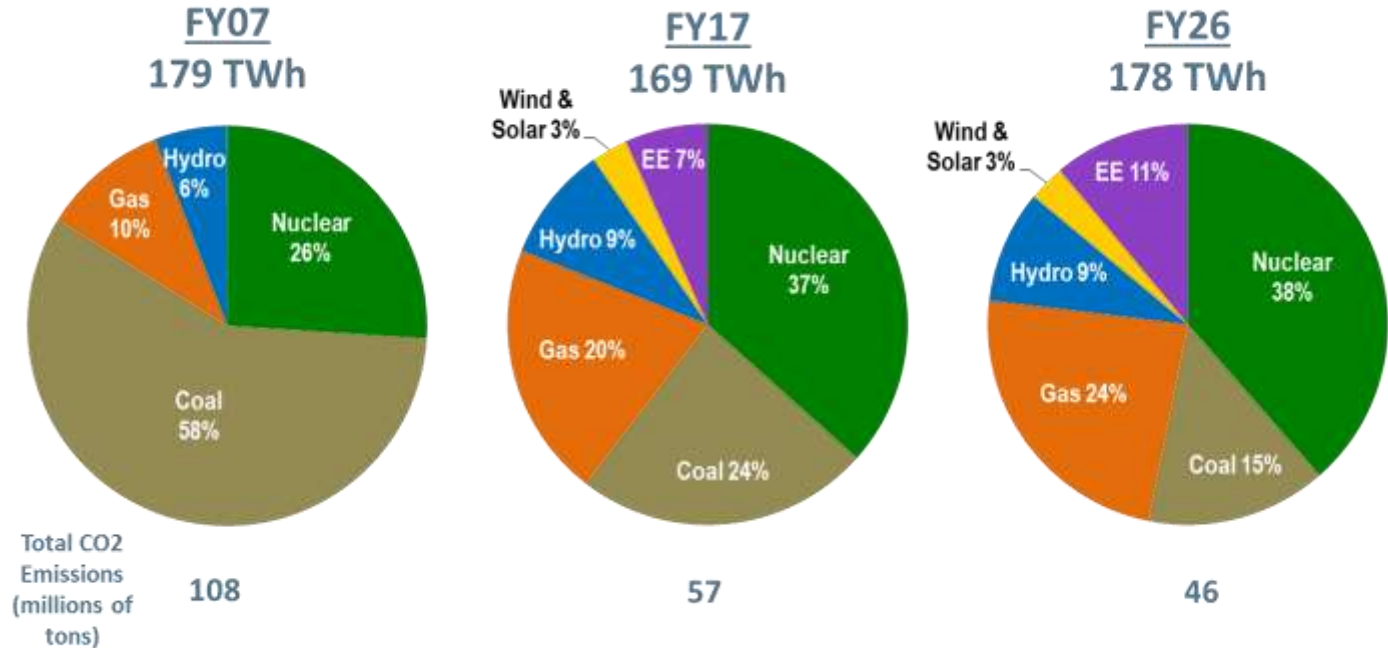

“Father of TVA,” Senator George Norris

154 Local Power Companies

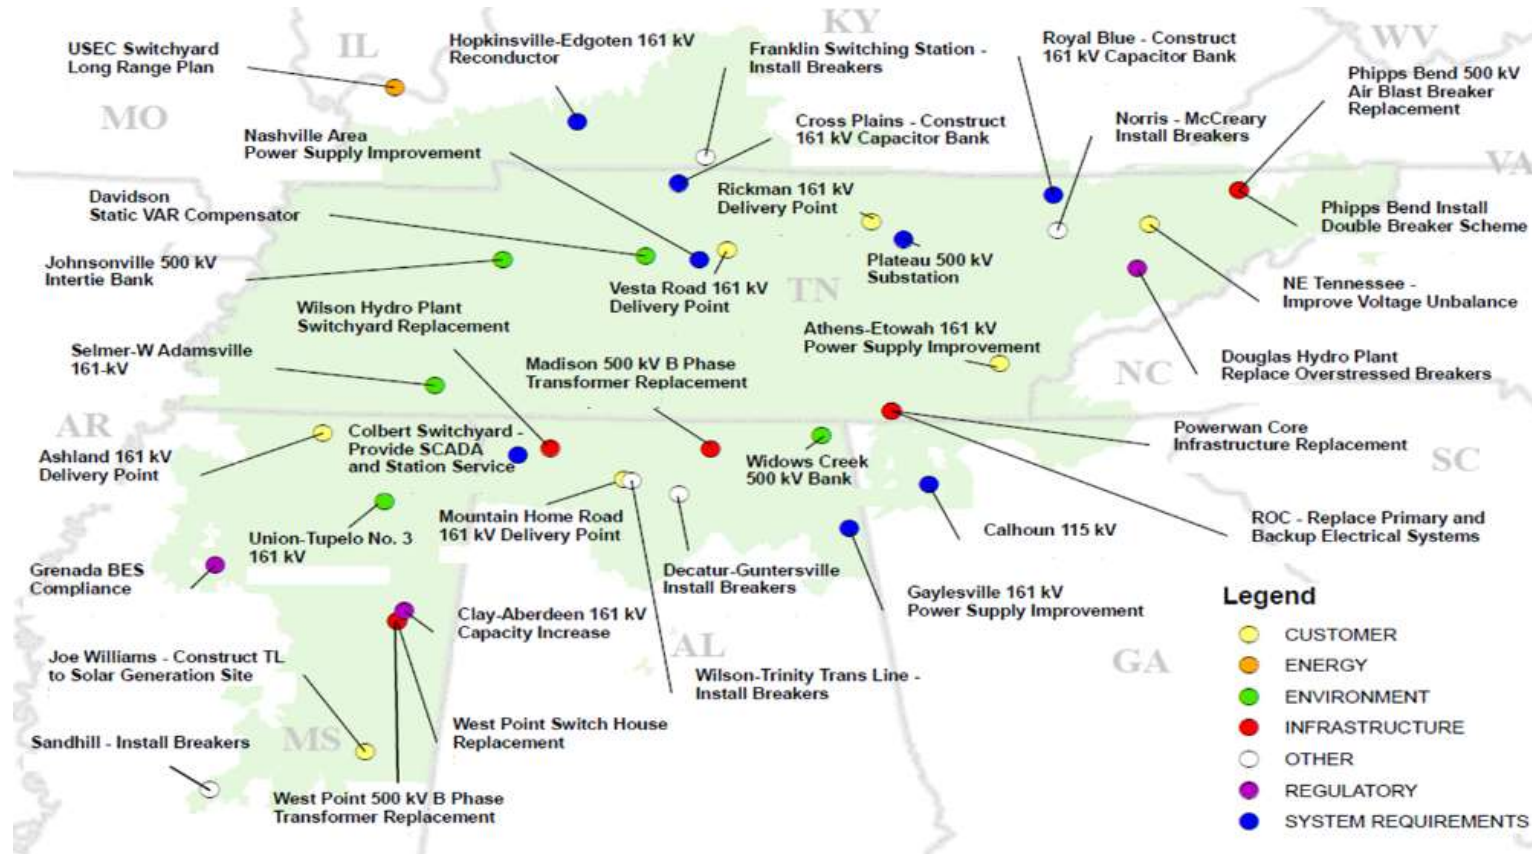

Provide
