|-------------------------|--|-------------------------------|
| October 31 – November 7 | <b>6<sup>th</sup> African Rift Geothermal Conference (ARGeo – C6).</b> The aim of this biennial conference is to promote regional cooperation, create an information exchange platform on the exploration, development, investment and utilization of the geothermal resources in the region and elsewhere in the world. EAGP is organizing a regional short course, where participants will be given a walkthrough of the legislative procedure regarding the formation of laws for geothermal development and power generation. <i>Addis Ababa, Ethiopia</i> | Scena Nayak<br>Ext. 1225      |
